SCOPE OF BID

The purpose of this bid is to establish a contract for furnishing, installing, and maintaining the electronic automated dispensing equipment for cage wash chemicals and disinfectants with accepted engineering practices for the Animal Resources Departments of LSUHSC-S, and with technically trained service personnel. Items must be shipped directly to the department.

TERMS OF THE CONTRACT

This bid is to be effective for a period of one (1) year from date of award. At the option of LSUHSC-S and acceptance by the vendor, this bid can be renewed for two (2) additional twelve (12) month periods at the same prices and terms.

All prices are to be firm for the contractual period; but wherever there is a general reduction in price, which is lower than the contract price, said reduction shall be presented directly to LSUHSC-S.

Approximate quantities as set forth are estimated, and the successful bidder shall supply at bid prices actual requirements as ordered whether the total of such requirements are more or less than the quantities shown. No specific quantities are guaranteed. Only those quantities required will be ordered.

THE UNIVERSITY RESERVES THE RIGHT TO CANCEL THIS CONTRACT WITH A 30-DAY WRITTEN NOTICE.

FISCAL FUNDING:

The continuation of the contract is contingent upon the continuation of an appropriation of funds by the Legislature to fulfill the requirements of the contract. If the Legislature fails to appropriate sufficient monies to provide for the continuation of the contract, or if such Appropriation is reduced by the veto of the Governor or by any means provided in the Appropriations Act or Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

All bidders should be aware that our legislative process is such that it is often impossible to give prior notice of the non-appropriation of funds.

TERMINATION:

Termination of the Contract for Convenience:

The State may terminate the contract at any time by giving thirty (30) days written notice to contractor of such termination or negotiating with the Contractor an effective date.

The Termination of the Contract for Cause:

The State may terminate the contract for cause based upon the failure of Contractor to comply with the terms and/or conditions of the contract, or failure to fulfill its performance obligations pursuant to this ITB, provided that the State shall give the Contractor written notice specifying the Contractor's failure. If, within thirty (30) days after receipt of such notice, the Contractor shall not have corrected such failure or in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct such failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contractor in default and the contract shall terminate on the date specified in such notice.

The Contractor may exercise any rights available to it under Louisiana Law to terminate for cause upon the failure of the State to comply with the terms and conditions of the contract, provided that the Contractor shall give the State written notice specifying the State's failure and a reasonable opportunity for the State to cure the default.

GENERAL REQUIREMENTS

SERVICE REQUIREMENTS:

1. Vendor shall furnish, install, and maintain electronic automated dispensing equipment with accepted engineering practices.

BID SHALL INCLUDE THE EQUIPMENT, INSTALLATION, AND MAINTENANCE OF UNITS; AND MUST PROVIDE TECHNICALLY TRAINED SERVICE PERSONNEL EMPLOYED BY THE VENDOR TO SUPPLY SERVICE.

2. Dispensing equipment and installation shall be of such design that the units are to be removed at the termination of the contract, with minimum interruption of service, and without additional cost to the University.

3. It shall be the responsibility of the vendor to remove and pack all dispensing equipment of the previous vendor. The previous vendor shall pick up removed units within sixty (60) days of removal.

4. Vendor shall provide regular service calls at no more than 6-8 week intervals by technically trained service personnel, having practical experience with the equipment.

5. Vendor shall provide service reports at the time of each call, listing the services performed and any recommendations for corrective action to be taken by the institution. The report shall be signed by a representative of the vendor. The report shall also contain Use Dilutions and Verification of 180 degrees F on cage surface. A copy of this report shall be provided to the University for their files.

6. Vendor shall maintain adequate warehouse stock of all material required.

7. All services shall be provided at no additional cost to the University.

Vendor shall submit the following information with bid:

- a. Material Safety Data Sheets
- b. Technical Data
- c. Use Dilution Costs

Material to be utilized according to the use dilution specified in the bid for evaluation of proposed products.

Evaluation for award to be based on the complete submission of requested documentation and adherence to the published bid specifications including bid stated product use dilution ration and supportive literature independent laboratory tests and other documentation submitted with bid.

A single vendor to be awarded the bid, and to be responsible for all products, equipment, and service. This bid will be awarded on an "All or None" basis.

PRODUCT SPECIFICATIONS REQUIREMENTS:

The problem encountered in housing and maintaining laboratory animals in a research environment are different from those encountered in the human and institutional field. Some of these problems include:

1. High animal population density, which creates conditions sensitive to cross infection and intensifies cleaning and sanitation problems
2. The ingestion of chemical products in the environment by laboratory animals, which may create toxicity problems

Reliability research data demands that a controlled reproducible environment be provided regarding cleaning and sanitation compounds for cages and equipment. A requirement of this contract is that these compounds must have been developed and extensively tested for the control of research environments. An additional requirement is that a laboratory animal environment control problem is to be proposed as a part of the contract. The elements of the program and the products proposed for use in this program must have been developed and tested in response to the special needs of the professional engaged in animal research.

INSURANCE REQUIREMENTS FOR CONTRACTORS

Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, his agents, representatives, employees or subcontractors. The cost of such insurance shall be included in the Contractor's bid.

A. MINIMUM SCOPE OF INSURANCE

Coverage shall be at least as broad as:

1. Insurance Services Office Commercial General Liability "occurrence" coverage form CG 00 01 (current form approved for use in Louisiana). **"Claims Made" form is unacceptable.**
2. Insurance Services Office form number CA 00 01 (current form approved for use in Louisiana). The policy shall provide coverage for owned, hired, and non-owned coverage. If an automobile is to be utilized in the execution of this contract, and the vendor/contractor does not own a vehicle, then proof of hired and non-owned coverage is sufficient.
3. Workers' Compensation insurance as required by the Labor Code of the State of Louisiana, including Employers Liability insurance.

B. MINIMUM LIMITS OF INSURANCE

Contractor shall maintain limits no less than:

1. Commercial General Liability: \$1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage.
2. Automobile Liability: \$1,000,000 combined single limit per accident, for bodily injury and property damage.
3. Workers Compensation and Employers Liability: Workers' Compensation limits as required by the Labor Code of the State of Louisiana and Employers Liability coverage. Exception: Employers liability limit is to be \$1,000,000 when work is to be over water and involves maritime exposure.

C. DEDUCTIBLES AND SELF-INSURED RETENTIONS

Any deductibles or self-insured retentions must be declared to and approved by the Agency. The Contractor shall be responsible for all deductibles and self-insured retentions. At the option of the Agency, the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

D. OTHER INSURANCE PROVISIONS

The policies are to contain, or be endorsed to contain, the following provisions:

1. General Liability and Automobile Liability Coverages
 - a. The Agency, its officers, officials, employees, Boards and Commissions and volunteers are to be added as "additional insured's" as respects liability arising out of activities performed by or on behalf of the Contractor; products and completed operations of the Contractor, premises owned, occupied or used by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to the Agency, its officers, officials, employees or volunteers.

- b. The Contractor's insurance shall be primary insurance as respects the Agency, its officers, officials, employees, Boards and Commissions or volunteers. Any insurance or self-insurance maintained by the Agency shall be excess and non-contributory of the Contractor's insurance.
- b. Any failure to comply with reporting provisions of the policy shall not affect coverage provided to the Agency, its officers, officials, employees, Boards and Commissions or volunteers.
- c. The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

2. Workers' Compensation and Employers Liability Coverage

The insurer shall agree to waive all rights of subrogation against the Agency, its officers, officials, employees and volunteers for losses arising from work performed by the Contractor for the Agency.

3. All Coverages

Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, or reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to the Agency.

E. ACCEPTABILITY OF INSURERS

Insurance is to be placed with insurers with a Best's rating of **A-:VI or higher**. This rating requirement may be waived for workers' compensation coverage only.

F. VERIFICATION OF COVERAGE

Contractor shall furnish the Agency with certificates of insurance affecting coverage required by this clause. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be received and approved by the Agency before work commences. The Agency reserves the right to require complete, certified copies of all required insurance policies, at any time.

G. SUBCONTRACTORS

Contractor shall include all subcontractors as insured's under its policies OR shall furnish separate certificates for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.
